<b>Sports/Leisure</b>					
Swimming Pool Provision	Replacement, upgrade and or expansion for Norton swimming pool which is life-limited and expensive to maintain to minimal standards.	Planning	Site Allocation: Current Site in Norton		Site Visit – 27 June 16 Substantial investment has gone into the pool in the past couple of years and there is a long term plan for the pool to remain open.
New Fitness Suite	Large fitness suite approx. 50 pieces of equipment – membership and pay-as-you-go options. Open to all ages. Target more senior residents. Creche facilities.	Planning	Site Allocation: Land is available at Malton Community Sports Centre		Relatively good gym provision at present but new capacity needed if to target certain demographic groups. Fitness suite at Malton Community Sports Centre costs £250K-£850K. Site Visit – 27 June 16
Outdoor Activities	Mountain biking, running routes, walking routes, cycle routes and cycle racks, play parks for young children, general parks areas for older children to play football etc and all residents to enjoy, multi-use games areas, dog walking areas.	Planning	Includes Orchard Fields, Ladyspring Wood. Site around FTC proposed Peasey Hills development.	Community need for older children to help counter anti-social behaviours. Also more formal areas for older people to sit and stroll.	Malton Town Council's plans to lease Orchard Fields for public use and possibilities for Ladyspring Wood. Walking routes for Malton and Norton now available on ifootpath and Visit Ryedale websites. Plans to mark out running routes through the town.
Riverside	Walkways and access to river for recreation – locals and visitors. Make more attractive and focal point.	Planning		Towns Ahead Initiative	SSSI – still effective The Area Partnership have work currently underway to clear the riverbank and create a good walkway.
